Read HAR Logs

Thursday, February 13, 2020
12:13 PM

Steps

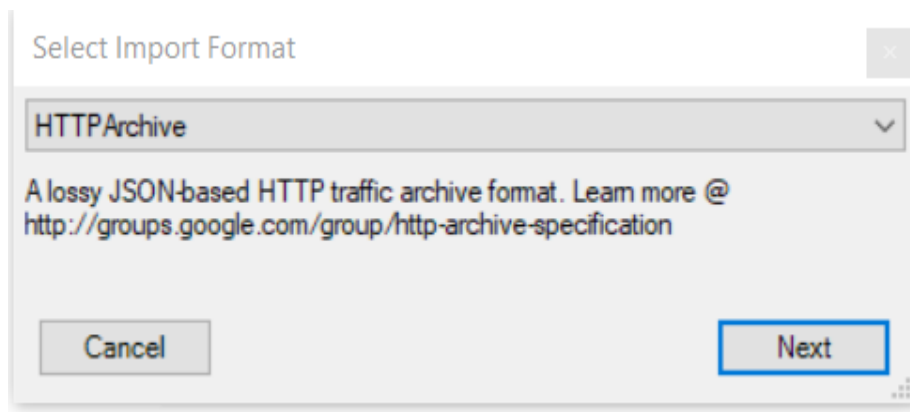

1. Launch Fiddler Tool.
2. Click on File and **Uncheck** Capture Traffic

3. Click File again and select Import Sessions...

4. Select HTTPArchive and click Next

5. Choose the .har file and click Open to analyze the traces.

Created with Microsoft OneNote 2016.
