Issue

Please briefly describe the issue - We are using copy data activity in ADF to pull the data for one of the table from DB2 server . It was failing after running 48 mins at our end with below error .

Table : SXT0RET

Record count in DB2 : 183,850,588

Error in below : Unsuccessful execution due to resource limit being exceeded at source.

Suggestion

Please troubleshooting the DB2 server side
