Issue

Customer is asking to suspend maintenance deployment on SQLMI

Investigation/Analysis

This is not supported at the moment, no exceptions, please don't file an IcM on this, don't ping PG. If you have any questions, please reach out to the EEE team.

RCA Template

Postponing maintenance is not supported at the moment.

Please refer to official documentation: [Can I cancel or postpone a planned maintenance event based on the received notification](#) .

For more information, please take a look at [Maintenance window](#)  and [Maintenance window FAQ](#) .
