Update Statistics

Wednesday, May 17, 2017
9:35 AM

The equivalent of SQL Server's UPDATE STATISTICS command in Postgres is the ANALYZE command:

Analyze Table

<https://www.postgresql.org/docs/current/static/sql-analyze.html>

Using pg_badplan to CREATE STATISTICS is a good plan

https://joelonsql.com/2018/03/19/using-pg_badplan-to-create-statistics-is-a-good-plan/

Created with Microsoft OneNote 2016.
