

Permissions to call pg_stat_statements_reset() for Hyperscale Citus

Last updated by | Lisa Liu | Nov 6, 2020 at 10:33 AM PST

Customers cannot reset pg_stat_statements_reset();which throws Permission Denied for Function.

```
citus=> SELECT pg_stat_statements_reset();  
ERROR: permission denied for function pg_stat_statements_reset  
citus=>
```

Solution: Grant Execute on function

GRANT EXECUTE on function pg_stat_statements_reset() to citus;

SELECT pg_stat_statements_reset();

```
citus=> SELECT pg_stat_statements_reset();  
ERROR: permission denied for function pg_stat_statements_reset  
citus=> GRANT EXECUTE on function pg_stat_statements_reset() to citus;  
GRANT  
citus=>  
citus=> SELECT pg_stat_statements_reset();  
-[ RECORD 1 ]-----+--  
pg_stat_statements_reset |  
  
citus=>
```
