## Unable to list Azure DevOps accounts in Edge

Wednesday, February 5, 2020

08:41 PM

### Issue:

Repository Settings ×

Enter Git repository information to be associated with your Data Factory: InspectorPlusDataFactoryTest

Repository Type \* ?

 Azure DevOps Git ▼

Select a different directory ☒

Azure Active Directory \* ?

Default Directory ▼

Azure DevOps Account \* ?

*ISSUE HERE*

Customer does not see drop down list of values in Azure DevOps Account dropdown field

### Investigation:

### Resolution:

1. In Edge add [https://\\*.visualstudio.com](https://*.visualstudio.com) (its ok even if the site is removed off the trusted sites list later, issue goes away)
2. Chrome can be used

### Additional Information:
