202047 [Dynamics] The 'RetrieveMultiple' method does not support entities of type ''

Friday, December 6, 2019
11:58

SME	
Symptoms	Customer seeing error like: Message=Dynamics operation failed with error code: -2147219456, error message: The 'RetrieveMultiple' method does not support entities of type 'rollupproperties'
Cause	Such entities are not supported by RetrieveMultiple function, thus not supported by ADF.
Resolution	By-design unsupported
More Information	You can find supported built-in entities here: https://docs.microsoft.com/en-us/dotnet/api/microsoft.xrm.sdk.messages.retrievemultiplerequest?view=dynamics-general-ce-9#remarks

Created with Microsoft OneNote 2016.
