Contents

- Limitations
- ICM Queue
- Engineering Team Contacts
  - Engineering Team DL : sqldbml@microsoft.com
  - Engineering team : kavenkat , Arunguru
  - PM Contact : Michelle Wallig (mawalli)
  - Teams Channel

You may need to reach to PG for request like re-enable the dedicated resource limits for R/Python , restarting MI in case of a memory leak etc.

Limitations

https://docs.microsoft.com/en-us/azure/azure-sql/managed-instance/machine-learning-services-differences#resource-governance ☐

ICM Queue

The IcM queue is *Azure SQL DB/Extensibility (ML Services & Language Extensions on Azure SQL)*

Product Engineering team works out of Redmond and there will be not be 24*7 . Coverage as this a limited Preview not meant for Production Usage. Set the expectations with the customer for the wait

Engineering Team Contacts

(Do not CC on cases, reach out only in case of Escalation from Customer or Technical roadblocks)

Engineering Team DL : sqldbml@microsoft.com

Engineering team : kavenkat , Arunguru

PM Contact : Michelle Wallig (mawalli)

Teams Channel

https://teams.microsoft.com/l/channel/19%3Ab40d090ea08a40869f1da066c47325ba%40thread.tacv2/General?groupId=d288fbcb-77fd-4475-972c-cde2019301bb&tenantId=72f988bf-86f1-41af-91ab-2d7cd011db47 ☐
