Symptoms	**Copy activity fail with the following error:**		
	Copy activity <Activity Name> has an invalid "source" property. The source type is not compatible with the dataset <Dataset Name> and its linked service <Linked Service Name>. Please verify your input against 'http://go.microsoft.com/fwlink/?LinkID=799848'		
Cause	The type defined in dataset is inconsistent with the source/sink type defined in copy activity. For example: Copy activity defines the source is "BlobSource" The corresponding dataset defines its type is "SqlAzureTable"		
Resolution	Edit the dataset or pipeline JSON definition so that the types are consistent, then re-deploy
